IN THE DRAWINGS

Applicants submit here with formal drawings to overcome the previous objections to the drawings.

REMARKS

In response to the Notice of Allowance, applicants hereby file an amended set of claims. In the claims the Examiners amendment to the record has been entered in the claims and claims 23 and 24 have been cancelled.

In addition the Examiner is respectfully requested to consider the further amendments to the claims by the applicants. More specifically, in claims 2-15, 18, 19, 21 and 22 the reference numerals have been deleted. In claim 20 a comma has been added in line 13. Additionally, in claim 25 the term drive means had been used to refer to the drive member, the claim has now been amended to use the term drive member throughout. No further amendments have been made by the applicants.

Applicants submit that these changes merely correct minor inconsistencies and typographical errors and therefore should be entered.

The Commissioner is hereby authorized to charge any fees, including fees for extensions of time, in connection with this application and to credit any overpayments to Deposit Account No. 14-1447. Should the Examiner have any questions or concerns, she should feel free to contact the applicants' attorney to discuss them.
